

PSL-PB6 PSL-PB18

Power Booster for Limitimer® Signal Lights

Use these devices to provide power and timer data to multiple remote signal lights (PSL-20V, ASL4-ND3 and ASL2-ND3).

PSL-PB6 and PSL-PB18 are supplied with UL-approved 12-V external power supply that provide enough power for the number of connected signal lights. 2 A for PSL-PB6 and 6 A for PSL-PB18.
