**Connect your PC
"speaker out"
to a house sound system
without hum**

Laptop Sound Port™ LSP-1

www.dsan.com/lsp Tel: 516 625-5608

The Laptop Sound Port is a compact adapter that plugs into a laptop computer's speaker-out jack, changes the output to balanced mic-level (mono) and mates with standard XLR audio cable for connections to a house audio system.

A ground lift switch assures a hum-free interface and an on-board volume button gives precise control.

Dimensions: 3.25" x 1.25" x 1"
Weight: 6 oz
